

GLOBAL BIOSCIENCE SOLUTIONS

TRUST US WITH YOUR NEEDS

Industrial | Pharma | Analytical | Life Science

About Us

Global Bioscience focus on Analytical, Biotechnology, Industrial Instruments. Headquartered in Bangalore, and has regional offices located in Mumbai, Dharwad & Pune.

We are continuously working to deliver innovative design & superior features in affordable price range to our customers.

We ensure to set up better ways of offering solutions that solve everyday problems, save research time and increase productivity.

Reliable Cooperation

We are consistently working out of the box to bring creative products and customize solution for Industries and laboratories to bring ease to their everyday routines.

We ensure the product to be delivered on time for which we keep the most demanding and routine products always in our stock for immediate supply.

We always believe that trusted relationship with customers plays pivotal role to gain insight on how we improve our products to better fill their needs.

INDUSTRIAL, PHARMA & LABORATORY INSTRUMENTS

HEATING MANTLE

MAGNETIC HOT PLATE

INCUBATOR / BOD

OVEN

MICROSCOPE

DEEP FREEZER
(-20/-40/-80 DEGREE)

AUTOClave

MUFFLE FURNACE

ULTRASONIC CLEANER

DIGITAL WATER BATH

DRY BATH INCUBATOR

HYBRIDIZATION OVENS

PROBE SONICATOR

AUTOMATIC DIGITAL POLARIMETER

WATER - OIL BATH

FUME HOOD

LAMINAR AIRFLOW

BIO-SAFTEY CABINET

VACUUM PUMP

MOISTURE BALANCE

ROTARY EVAPORATOR

REFRIGERATOR

MICROTOME

PERISTALTIC PUMP

ORBITAL SHAKING INCUBATOR

STABILITY CHAMBER

WATER PURIFICATION SYSTEMS

FLOOR MODEL REFRIGERATED CENTRIFUGE

VACUUM OVEN

VORTEX MIXER

ICE FLAKER

U.V. CABINET

ELECTRON MICROSCOPY CONSUMABLES

Transmission and Scanning Electron Microscopy, Electron Microprobe Analysis, Atomic Force Microscopy, Confocal Laser Microscopy, Light Microscopy and Sputter Coater

SEC Make SCANNING ELECTRON MICROSCOPE

Motorized Stage

X,Y,Z,R,T
(Fully motorized)

Auto Setting

Focus, Contrast, Brightness

Navigation Mode

Top View CCD Camera

The only Table-top SEM of which has 5-axis, enables unlimited movement of stage

Easy and convenient image acquisition possible with "Click & Move" which is one of features of Motorized stage

Able to get images of variable angles via Tilting $-45^{\circ}\sim 90^{\circ}$, and easily analyze EDS

ANALYTICAL PRODUCT

SCREW CAP VIALS
SEPTA, CAPS

FILTRATION ASSEMBLY

DRY BATH

SIEVE SHAKER

ANALYTICAL WEIGHT BOX

TEST SIEVES

SPECTROPHOTOMETER

VISCOMETER

ANALYTICAL BALANCE

QUARTZ CELL

REFRIGERATED
CIRCULATING BATH

OIL FREE VACUUM PUMP

ABBE
REFRACTOMETERS

CENTRIFUGE

MELTING POINT APPARATUS

TDS METER & DISSOLVED
OXYGEN METER

PH METER &
CONDUCTIVITY METER

DIGITAL OVERHEAD
STIRRER

WATER BATH SHAKER

MINI CENTRIFUGE

HEATING MANTLE
WITH STIRRER

KARL FISCHER TITRATOR

WATER DISTILLATION

BOTTLE TOP DISPENSER

LIFE SCIENCE
